RE: IPEX USA LLC - ½" to 16" Schedule 40 /80 PVC and ½" to 16" Schedule 80 CPVC Pipe Manufactured in the USA

Dear Mr. Josephson:

This letter is to confirm that IPEX USA LLC Schedule 40 /80 PVC and Schedule 80 CPVC pipe are manufactured in our Charlotte NC manufacturing facility in full compliance with applicable specifications and is produced in the United States within the meaning of the Buy American provisions of the American Recovery and Reinvestment Act of 2009.

IPEX USA LLC also distributes large diameter PVC pipe (18 in to 24 in Sch 40 /80) made by IPEX Inc. in Canada. These products are covered under the Canada – US Agreement on Government Procurement reached on Feb 16, 2010 and may be exempt from the ARRA Buy America requirements. The agreement may be viewed at [Canada-U.S. Agreement on Government Procurement](#)

The resin used to produce our pipe and fittings is purchased on the open market in the USA from domestic producers. Ingredients used in compounding (pigments, stabilizers, etc.) are also USA produced.

If you should have any further questions concerning the domestic content of these products, please feel free to contact me.

Sincerely,

Jim Somers  
General Sales Manager  
IPEX USA LLC  
Industrial, Plumbing and Irrigation Products
