

CANTEX INC. 301 Commerce Street, Suite 2700, Fort Worth, Texas 76102

July 9, 2018

To Whom It May Concern:

In 1986, California voters approved an initiative to address their growing concerns about exposure to toxic chemicals. That initiative became the Safe Drinking Water and Toxic Enforcement Act of 1986, better known by its original name of Proposition 65. Proposition 65 requires the State to publish a list of chemicals known to cause cancer or birth defects or other reproductive harm.

CANTEX is committed to providing quality products to all of its customers. This document certifies that CANTEX complies with Proposition 65 in regards to all of its products sold in California including extruded, fabricated, or injection molded products.

Sincerely,

A handwritten signature in black ink, appearing to read "David Gwinn".
