

A COMPANY OF MUELLER INDUSTRIES 

REACH Directive

Status Update 1 August 2017

Mueller Industries, Inc. is pleased to announce that all product lines supplied are in conformance with the Registration, Evaluation, and Authorization of Chemicals Directive (REACH - EC 1907/2006), as Articles containing substances not intended for release:

To the best of our knowledge, NO Mueller Industries, Inc. product lines contain ANY of the 43 substances on the current Authorization List included under REACH Annex XIV, last updated on Apr 16 June 2017, or ANY of the additional materials of the one hundred seventy-four (174) substances included on the Candidate List of Substances of Very High Concern (SVHC), last updated on 12 July 2017.

Product lines that are currently in compliance with REACH requirements, but contain materials that are foreseeably released during use, per Article 7(1) – materials which Mueller Industries Inc. suspects MAY be considered SVHC substances at a future date under REACH Annex XIV, as defined within Article 57 – are as follows:

<u>Product Line</u>	<u>Reason for Concern</u>	<u>Corrective Action</u>
None		

Per REACH Article 33, Mueller Industries Inc. continues to monitor the status of SVHC materials as published by the ECHA. As of the time of this publication, all information is believed to be accurate. For additional information regarding product compliance with the REACH Directive, please contact your local sales representative, or Mueller Customer Service Department at 901-753-3200.

Please visit the ECHA website for additional information regarding the Authorization or SVHC Candidate Lists:
